(Re)Building the Existing

João Mendes Ribeiro

João Mendes Ribeiro (Coimbra, 1960) is a Portuguese architect. He graduated in 1986 from the University of Porto and in 2009 took his PHD from University of Coimbra. Since 1991 he has been teaching Architectural Design in the same university. In 1990 he sets up his own practice.

His work has been awarded with prizes such as Highly Commended at AR Emerging Architecture Award 2000, Premis FAD d'Arquitectura i Interiorisme 2004 and 2016, Gold Medal for Best Stage Design at the Prague Quadrennial 2007, Enor Prize 2009, BIAU Award 2012 and 2016, RIBA Award for International Excellence 2016 and BigMat Award 2017. Shortlisted for the Mies Van der Rohe Award 2001 and 2015 and DOMUS International Prize for Restoration and Preservation 2017. Finalist for the RIBA International Prize 2016 and the Premis FAD d'Arquitectura i Interiorisme 1999, 2001, 2002, 2006, 2012, 2017 and 2018.
